

NORMUL

As an ever evolving local staple in the Houston dance scene, now going on 8 years, he's NORMUL and anything but! With his rotating collections of sounds and samples, sticking mainly with (but definitely not limited to) today's best Electronic/Dance music and all it's variations from all around the globe, his popularity is growing show after show! Since arriving on the Houston scene in 2010, NORMUL has been on a steady climb to the top crushing set after set, playing many of the most popular venues throughout H-Town. NORMUL has also recently brought his unique style and sounds to cities outside of Houston such as San Antonio, Austin, and Dallas. Look out for Fresh cuts, classic throwbacks, pulsating energy, and remixes/edits with his own personal touches added, and an experience through music you won't hear twice as no set is the same! NORMUL is currently hosting his own Live Streaming show: Live @ The Normul Lair focusing on upcoming artists in the Houston scene and surrounding areas, but not limited to, by any means! Anyone could drop by at any time and it's always quality sound and superb sets! So no matter where you are... In a venue, or on your phone/tablet, or just sitting back with your computer in the comfort of your own Lair....get ready to get up and Party, Dance your @\$ off to incredible music, and come away feeling, ANYTHING but NORMUL!
