100 Proof Justice gained fans all over the country opening for such acts as Blackberry Smoke, Montgomery Gentry, Randy Houser, Parmilee, and Molly Hatchet. We have played from Buffalo to Nashville, and Austin to Green Bay.

Their fans can relive their songs through internet radio all over the world, including their first release "What's On Your Mind ?"

Life then interrupted their deserved success, and the original band broke up at the end of 2013.

But their fans continued to say they loved the way 100 Proof Justice plays country !

Please get back together !

So to those fans 100 Proof Justice said "

It's time to feel justified !"

Original members Joel and Ray brought back Dan on rhythm guitar and brought on Justin and Danny to bring 100 Proof Justice back to life !

100 Proof Justice is on the rise again and bring a metal edge to country !

The boys have recorded a brand new EP "Tabula Rasa "
